

## **MEMO**

**Date:** April 12, 2016

**RE:** Minutes of the 2016, April 6-9 Hand Surgery Section Meeting held on 04/09/2016

The first order of business was going over the moderators for upcoming meetings. The moderator for the spring meeting in 2017, April 28-30 in Nashville is going to be John Pasquella. Our hand meeting is going to happen on Saturday afternoon. For the fall of 2017 in Chicago, which his on a Friday afternoon, Dr. William Truluck, DO was nominated and he will be contacted by Drs. Adam Dann and Ed Armbruster to see if he is interested in participating and running the meeting. The spring of 2018 meeting in Los Angeles, Dr. Mark Tresiak, DO will be in charge of running the meeting and getting speakers and topics together.

The next order of business was line of succession and our current President is Adam Dann, DO, who did a fantastic job during this year and the next President is Paul Chubb, who organized this excellent meeting in Phoenix, Arizona. Paul is going to be moving to Texas soon. Secretary of Treasurer is Nader Paksima and our budget is doing well. Joy Stewart gave us our budget details and we have about \$20,000 in our budget and are financially sound.

The next item was the list serve, which has been very active and is being used by many of our participants and continues to be a source of good information. There being no further business the meeting was adjourned and plans on getting together again in the spring 2017.
