**Biologic Tendon Augmentation and
Clinical Decision Making in the
Shoulder**

Nashville, Tennessee

 **ZIMMER BIOMET**
Institute

Course Overview

This interactive educational session will focus on the use of augmentation in a variety of shoulder procedures. Join us to learn more about the next generation of soft tissue regeneration with TAPESTRY, a biointegrative solution supporting healing in the most challenging orthopedic soft tissue injuries. Expert faculty will present scientific details and clinical examples with opportunity for interactive discussion.
