NEW FEATURE FINANCIAL TIPS

Starting with this issue, we will be featuring brief tips on financial issues. Contributors will include Eliot Sokalsky with Doctors Asset Group and David Mandell with OJM Group. Both have been frequent speakers at A0AO meetings.

Are there specific topics that you would like to know more about? Is there advice you wish you had taken earlier in your life that you would pass on to younger surgeons?

We would love your feedback on how we can provide the most value in this section.

Send requests to Joye Stewart at joye@societyhq.com

DID YOU KNOW that A0AO members can post job opportunities on the A0AO website FREE of charge? You can also view any available opportunities currently listed. Submit Today!
