Book your room here!*

Register today to secure your spot!

25 Spring Meeting: AI Robotics Lab

- Pre-registration is required, space is limited to 6 participants per session.
- Registration is limited to actively practicing orthopedic surgeons. AOA is offering this non-CME event to provide members the opportunity to gain knowledge of techniques using robotic systems in arthroplasty. Attendees may choose between 6 different robotic systems for two-hour sessions which will include didactic lectures and hands-on instruction.
- Explore the program and register now: **Click here!**

Accepting Submissions for the 2025 Award of Fellow

The title of Fellow is granted to individuals who have contributed their services to the Academy, their hospital or practice, community, and/or certifying board.

*Submission Deadline: **February 15, 2025***

Apply now: www.aooa.org

Nominations are now being accepted for AOAO Top Awards

AOAO Humanitarian Award: Bestowed to the member who has demonstrated a broad impact upon humanity and whose leadership and outstanding humanitarian volunteerism have improved the quality of life of individuals locally, nationally, or worldwide.

Donald Siehl Lifetime Achievement Award: Presented to a member who, in the opinion of the Board of Directors, has made a major contribution and commitment to the American Osteopathic Academy of Orthopedics during his/her professional career. The Donald Siehl Lifetime Achievement Award is the highest award granted by the Academy and is given only upon meeting the above criteria.

The Morton J. Morris, DO, JD, Award of Osteopathic Orthopedic Education: Given to that individual who, as an active or honorary member of the AOOA exemplifies Dr. Morris' love for our Academy and furthering the education of its members. The Award may not be presented annually if no worth candidate can be chosen.

*Submit your nominations by **February 21, 2025!***

WE WANT TO HEAR FROM YOU!

The Spring Issue of the JAOAO is open for article submissions! Articles will go through a double-blinded peer review to ensure the highest quality research.

 **Deadline: February 10**
